

# CENTRES FOR CAREER GUIDANCE AND EMPLOYMENT

Empowering the youth, especially the poor and the marginalised, through career guidance and job placement is one of the most important interventions of Salesians of Don Bosco in India.

This is done by:

- Guiding academic and technical school student's to make the right choices in life with regard to various career options
- Finding suitable jobs for the youth who are skilled, semi-skilled and unskilled.
- Exploring various skill and job opportunities available both in the Government and private sectors
- Offering life-scoping skills and managerial skills to make them employable
- Providing guidance, motivation, training and assistance to the poor youth
- Transforming these youth from their lack of self-confidence and inferiority complex, by means of individual motivation and group orientation programmes.
